Product Description

150g Package 6 Pack Transparent Silicone Stretch Lids Versatile and Stretchable

Product Description:

Silicone Stretch Lids are the perfect solution for keeping your food fresh and secure. They are stretchable cover wraps that are designed to fit any container of various shapes and sizes, from 2.6 to 8.3 inches in diameter. Made of food-grade silicone materials, they are air-tight and leakproof, providing a secure and reliable seal. The lids are also temperature resistant, so they can be used in both cold and hot environments, ranging from -40 to 230 . In addition, they are microwave safe and reusable, making them an economical and eco-friendly choice. With their transparent color, these Silicone Stretch Lids make it easy to identify the contents of the container without having to remove the lid. They are ideal for keeping your food fresh and preventing spills, and they are the perfect reusable sealing lids for any air-tight container.
